

CPO

Course

March 26 & 27, 2012

Seward County Community College/Area Technical School • 1801 N. Kansas • Liberal, KS

About the course:

The certified pool operator course is designed to provide the skills and knowledge necessary to safely and efficiently manage and operate swimming pools and spas, and meet the mandatory State Health Department requirements for pool operator certification.

The CPO approval is assurance to pool and spa owners from hotels, to college pools, to water parks that their facilities and swimmers are under the supervision of trained professionals. CPO's are trained in the most advanced techniques in: safety, water chemistry, maintenance, management, water testing, state health codes and requirements, pool liability, and disease control.

This is a two-day course, and the certification is valid for five years.

Course Outline:

- State Health Codes
- Pool Calculations
- Filtration and Recirculation
- Spas
- Disease and Accident Prevention
- Water Problems
- Water Chemistry
- Maintenance
- Renovation – Energy Efficiency
- Testing
