

# ALUMNI & FRIENDS ASSOCIATION

The primary purpose of the Seward County Community College/Area Technical School Alumni and Friends Association is to foster the spirit of loyalty, commitment and involvement of the students, alumni and friends of Seward County Community College/Area Technical School. The Association is committed to helping past students, graduates and non-graduates alike, maintain a sense of camaraderie with their SCCC/ATS friends, develop on-going interest in the growth and success of SCCC/ATS, promote goodwill as ambassadors of SCCC/ATS, and work closely with the college and Development Foundation as a network of support for SCCC/ATS and its students.

The SCCC/ATS Alumni and Friends Association provides a secure online community for former students to network with each other, stay up-to-date with SCCC/ATS and alumni news, find out about upcoming college events, submit notes and photos, make donations online, and much more. Person member information is only open to registered members.
