EduKan Courses Tuition/Fees	\$150.00	N/A	\$150.00

\*In March 2018, the SCCC Board of Directors approved a change in the tuition structure. Tuition costs for "Border County" students will now be extended to "Border State" students; all students from OK, TX, NM, CO, NE and MO will now be eligible for this tuition rate.

Special Course Fees vary and are published in the semester schedule of courses

### **Housing Rates for 2022-2023**

The **Student Living Center**, the largest of the three areas, accommodates up to 200 students and is a traditional style co-ed dorm. Two bedrooms with two students per bedroom share one bathroom. Facilities include 2 computer/study labs, 1 game room, 2 free laundry rooms (1 on each floor) along with vending and ice machines on both floors. Local telephone, wireless and high-speed internet provided.

Full year: \$5,510 double occupancy (Single, \$6,310)

Semester: \$2,755 double occupancy (Single, \$3155)

**Hale Court** is located in between the Main Campus and the Tech Campus. Two bathrooms are shared by two bedrooms with two students per bedroom. There is a free laundry room located in the game room. Telephone, and wireless internet services provided.

Full year: \$5,310 double occupancy (Single, \$6,310)

Semester: \$2,655 double occupancy (Single, \$3,155)

The textbooks in the 1<sup>st</sup> semester of the nursing program are going to be utilized in the 2<sup>nd</sup> semester and on into the level II portion of the nursing program. The Pharmacology, drug calculations, drug guides will be utilized in NR 1102 Pharmacology for Nursing I, NR 1411 Pharmacology for Nursing II and NR1801 Pharmacology III. It is the goal of nursing faculty to assist the students in utilization of the same textbooks each semester in both levels of the nursing program.
