ML 1215 Elementary Spanish II ML 1415 Elementary French II	Foreign Language II (Required for Art History and Architectural History BFA)

To receive specific studio course credit at SCAD, students must follow the portfolio submission criteria and guidelines available in the admission office. Portfolio review times and locations are distributed through admission mailings and during orientation for new students. Additionally, a review of all course syllabi may be required. Portfolios are reviewed by faculty members from the applicable department. Transfer credit is granted when faculty members assess that the quality of work in the portfolio is equivalent to that which would earn a grade of C or better in an equivalent or comparable course at the Savannah College of Art and Design. Failure to submit a portfolio during the first quarter of enrollment results in loss of opportunity to transfer studio credit.

The following course is not required for all majors. Please refer to the SCAD course catalog and specific program of study to see if specific courses are applicable to a student's intended major course of study.

Seward County Community College	Savannah College of Art and Design
AR 1463 Drawing II (Course is subject to portfolio review to determine transferability.)	DRAW 101 Drawing II (Course is subject to portfolio review to determine transferability.) The course may transfer as a studio elective or free elective without a portfolio review if applicable to student's specific course of study.
AR2123 Digital Photography I (Course is subject to portfolio review to determine transferability.)	PHOT 113 Photographic Foundations I (Course is subject to portfolio review to determine transferability.) The course may transfer as a studio elective or free elective without a portfolio review if applicable to student's specific course of study.

If you have students who are interested in architecture, please contact me and I will be happy to discuss the specific course of study with them. To maximize transfer of credit, it is important to carefully advise students on the number of free electives, general education electives and studio electives required for each major program of study.

We look forward to working with you and your students in the future and hope to increase the number of students transferred to SCAD from Seward County Community College.

Warm Regards,

Carolyn Stuber
